HANDING YOUR TEEN THE CAR KEYS—

ARE YOU CONFIDENT OR CONCERNED?

Eight teens a day are killed in car crashes. Parents are the key to keeping kids safe on the road. Talk with your teen about safe driving.
Then take these proven steps to keep your teen safe behind the wheel:

- Extend your teen's supervised driving period.
- Set the rules of the road:
  - Make sure your teen always wears a seat belt.
  - Limit your teen's nighttime driving.
  - Restrict the number of teen passengers allowed in the car.
  - Prohibit cell phones and texting while driving.
- Enforce the rules with a parent-teen driving agreement.
