CUT FOR LIFE

Hairstylists and Barbers Against AIDS

STOPPING AIDS IS
EVERYONE'S BUSINESS

More than 1.2 million people in the United States are living with HIV. Yet... Many of them don't even know it.

Join CDC in a national movement to save lives through HIV awareness and prevention.

Through the ***Cut for Life*** initiative for hairstylists and barbers, you can:

- Help save lives: HIV is 100% preventable
- Protect your clients, staff and business
- Show your community that you care
- Connect with other stylists and barbers in creating healthier communities

Find an HIV/STD test site near you by visiting ***http://www.cdc.gov/BRTA*** or texting your ZIP code to "KNOW IT" (566948).

BRT BUSINESS RESPONDS TO AIDS
