Public Comment

This meeting's oral and written public comment processes designed to:

- ✓ Accommodate increased public interest in ACIP's work
- ✓ Maximize opportunities for comment
- ✓ Make public comment more transparent and efficient
- ✓ Create a fair process for assigning limited oral public comment time

Disclosure of Conflicts of Interest

- Members of the ACIP agree to forgo participation in certain activities related to vaccines during their tenure on the committee. CDC has issued limited conflict of interest waivers as follows:
  - Members who conduct vaccine clinical trials or serve on data safety monitoring boards are prohibited from participating in committee votes related to those vaccines.
  - Regarding other vaccines of the concerned company, a member may participate in discussions, with the provision that he/she abstains on all votes related to the vaccines of that company.

- At the beginning of each meeting, ACIP members state any conflicts of interest.
