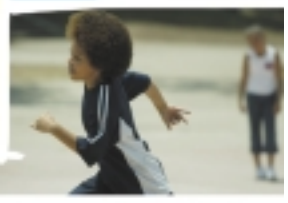
All you need is a pool and a ball Whoever's "It" has the ball and yells "Marco" with their eyes closed. Everyone else yells "Polo" Throw the ball in the direction of someone you hear. If they catch it, you go again If they drop the ball...they do a cannon ball! Now they're it. That's Marco Water Polo in Miami Florida.

KB ball

Hey, I'm Marshal and we play in Lafayette Park in Los Angeles California. We've got lots of VERB's here, Some games we even make up. Here's one we call "KB-Ball"...It's Kickball, on a basketball court. After a kick, the fielder has to shoot the ball through any basket. If it the ball goes in the hoop and you're not on base, you're out. If it misses, keep on running. That's "KB-Ball" in Los Angeles.



Every day is game day so get out there and go play.
