NO FLU IN MY HOUSE.

Any flu can make your children sick enough to miss school, activities, or even be hospitalized.

Rarely, even healthy children can die from flu complications.

Vaccinate your kids against seasonal and 2009 H1N1 influenza (swine flu).

FIGHT FLU

I'LL VACCINATE MY CHILDREN.

For information, visit www.flu.gov, or call 1-800-CDC-INFO.
