Even if you're healthy, if you live with or care for someone at increased risk for serious complications from influenza, you should get vaccinated. Groups at high risk include **infants** and **pregnant** women.

I'll protect my baby.

I'll get my flu vaccine.

Babies younger than 6 months can't be vaccinated against the flu, but they are at high risk for severe complications from the flu. They rely on **you** to protect them. **Get vaccinated.**
