# Contents

**1 Introduction ..... 1-1**

1.1 Purpose of the Pregnancy Risk Assessment Monitoring System (PRAMS) ..... 1-1

1.2 History of PRAMS ..... 1-2

1.3 Purpose and Use of the PRAMS Surveillance Protocol ..... 1-5

**2 Goals and Objectives ..... 2-1**

**3 Personnel, Training, and Steering Committee ..... 3-1**

3.1 Project Director ..... 3-1

3.2 Project Coordinator ..... 3-2

3.3 Data Manager ..... 3-4

3.4 Telephone Interviewers ..... 3-6

3.5 Other Operational Staff ..... 3-7

3.6 Spanish-Speaking Staff ..... 3-7

3.7 Vital Records Contact Person ..... 3-7

3.8 Data Analysts ..... 3-9

3.9 Staff Training ..... 3-10

3.10 Steering Committee ..... 3-11

**4 Sampling ..... 4-1**

4.1 Definition ..... 4-1

4.2 Adjustments to the Sampling Frame....4-1

4.3 Sampling Plan....4-10

4.4 Selection of Sample....4-15

4.5 Frequency and Timing of Sampling....4-23

**5 Data Collection .... 5-1**

5.1 Data Sources....5-1

5.2 Methodology....5-1

5.3 Mixed-Mode Surveillance....5-3

5.4 Data Collection Instruments....5-5

5.5 General Data Collection Procedures....5-14

5.6 Mail Data Collection Procedures....5-19

5.7 Telephone Data Collection Procedures....5-27

5.8 Quality Assurance: Telephone Interviews....5-30

5.9 Methodologic Experiments....5-31

5.10 Recording and Reporting Data Collection Methodology....5-31

**6 Data Management .... 6-1**

6.1 Software Requirements for Daily Operations....6-1

6.2 Computer Platform Requirements....6-2

6.3 Backing Up Data....6-4

6.4 Data Security and Personal Identifiers....6-7

6.5 Data Files....6-9

6.6 Quality Control ..... 6-11

6.7 Batch Reports ..... 6-13

6.8 Creating the PRAMS Analysis File ..... 6-14

**7 Analysis, Use, and Limitations of PRAMS Data ..... 7-1**

7.1 Analyses by the State and CDC ..... 7-1

7.2 Preparing for Analysis ..... 7-2

7.3 Features of Analysis ..... 7-3

7.4 Analytic Considerations ..... 7-4

7.5 The State Analysis Plan ..... 7-10

7.6 Conducting Analyses ..... 7-12

7.7 Using and Disseminating Data from PRAMS ..... 7-13

**8 Authorship ..... 8-1**

8.1 General Authorship Principles ..... 8-1

8.2 Review of Abstracts and Manuscripts ..... 8-3

**9 Timetable ..... 9-1**

9.1 Start-Up ..... 9-1

9.2 Ongoing Activities ..... 9-4

**10 Human Subjects ..... 10-1**

10.1 Institutional Review Board (IRB) Protocol Submission and On-going Adherence ..... 10-1

10.2 Informed Consent ..... 10-1

10.3 Special Considerations ..... 10-4

10.4 Protecting the Privacy of PRAMS Data ..... 10-6

**11 Evaluation ..... 11-1**

11.1 Sampling Evaluation ..... 11-1

11.2 Operational Evaluation (OPAL) ..... 11-3

11.3 Data Quality Evaluation ..... 11-5

11.4 Evaluation of the Objectives of PRAMS ..... 11-6

**12 Glossary ..... 12-1**

## Appendixes

**A CATI Guidelines ..... A-1**

**B Computation and Usage of Analysis Weights ..... B-1**

**C Testing Results for State-Developed Questions ..... C-1**

**D Rationale for Phase 6 Core Questions ..... D-1**

**E Rationale for State-Added Questions: Standard and State-Developed ..... E-1**

**F Standardized Letters for PRAMS Mailings ..... F-1**

**G Standardized Telephone Introduction for PRAMS ..... G-1**

**H PRAMS Mail and Telephone Questionnaires ..... H-1**

**I Mailed Informed Consent Document ..... I-1**

**J Question-and-Answer Brochure ..... J-1**

**K Calendar Enclosure .....K-1**

**L Resource List ..... L-1**

**M Telephone Interviewer Monitoring Procedures..... M-1**

**N Performing Operational Experiments .....N-1**

**O State Configuration Reports..... O-1**

**P Guidelines for the Monthly Creation of the BCENTRY.DAT File .....P-1**

**Q Uniform File Layouts..... Q-1**

**R Guidelines for Collaborative Studies Using PRAMS Data: Examples of Data Sharing Agreements.....R-1**

**S State Analysis Plan .....S-1**

**T Guidelines for Preparing Manuscripts and Abstracts ..... T-1**

**U Waiver for Prisoner Subjects……..……U-1**

**V CATI Data Security Plan .....V-1**

**W CATI Data Sharing Agreement with RTI .....W-1**

**X Contracting Guidelines.....X-1**

**Y CATI File Layouts.....Y-1**

**Z Telephone Interviewing Procedures with Human Subjects Implications…….. Z-1**
