Dear Sir or Madam:

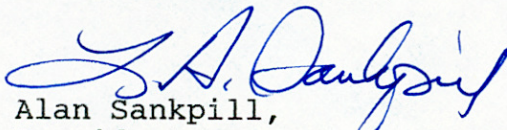

Parmelee Industries, Inc. wishes to participate in the public meeting you are holding in Washington, DC, on January 27 and 28, 1988, regarding 42 CFR Part 84.

Our spokesperson will be Alan Sankpill, President, Parmelee Industries, Inc., 1535 Walnut Street, Kansas City, Missouri, Telephone 816-842-8500.

We would like to present our views on the specific impact of the proposed rule on Parmelee Industries, Inc., as well as addressing the consequences of the proposed rule on manufacturers and users of respiratory protection equipment; specifically, the fact that since no protocol for the required workplace testing was issued, respirator manufacturers and other interested parties are denied due process. We request the maximum amount of time which we understand is 15 minutes.

Yours very truly,

PARMELEE INDUSTRIES, INC.

  
Alan Sankpill,  
President
