My deceased husband –

Claimant -

File No.:

Docket No.:

Dear Mr. Elliott:

I am still trying, after several denial letters, to justify compensation for my deceased husband.

Senator Maria Cantwell has been trying to help us, I believe. I sent her a copy, along with Congressman Doc Hastings, a copy of denial dated November 10, 2005.

I cannot stress enough, I don't believe it is fair that children (who I am representing as their Mom), is denied any compensation whatsoever.

Anyway, the point of this letter is to please let me ride on your band wagon.

Thank you so much for your efforts.

Sincerely,
