

**It may take
more energy, but
it's worth it.**

— JUNE, BREAST CANCER SURVIVOR

If you are between the ages of 40 to 49, talk to your doctor about when and how often you should have a screening mammogram.

If you are between the ages of 50 to 74, be sure to have a screening mammogram every two years.

BREAST CANCER SCREENING ► **THE RIGHT TO KNOW**
