If so, what steps should it take to rebuild its membership base? Should PHDSC continue to try to attract such a diverse type of members, or narrow its focus? What might need to change in its activities or positioning if such a narrowing were to be recommended? What is the value proposition for joining PHDSC? Does it differ by member type? Is it sustainable into the future? Does PHDSC play a significant enough role in workforce development? What should its members expect in this area? Does anything need to change about PHDSC's membership structure to support these activities?
12:15pm – 1:00pm	<p>Wrap up – Roundtable Discussion PHDSC STRATEGIC OBJECTIVES AND ACTIVITIES: 2012-2014 Moderator: Donald Mon</p>
