Dr. Nelson Leidel, Docket Officer
National Institute for Occupational Safety and Health
Mail Stop D-37
1600 Clifton Road, N.E.
Atlanta, Georgia 30333

I have some comments I would like to present in support of the I
have some comments I would like to present in support of the
NIOSH 42 CFR Part 84 proposal.

I hereby request to speak at the public meeting in Washington,
D.C., during the afternoon of January 28, 1988. I will require
only about five (5) minutes, and will at that time also submit
for the record some written comments and documents.

Sincerely,

Thomas H. Seymour, P.E.
Director, Office of Fire Protection
Engineering and Systems Safety Standards
