Dear Sir:

I would like this letter to serve as my request to participate in the January 27th and 28th hearings to be held in Washington, D. C. At that time I would request that I be allowed to participate in the hearings to make the comments of my company known to NIOSH concerning NIOSH's Proposed Rule Change concerning 42 CFR Part 84.

Thank you very much for your assistance in this matter.

Sincerely yours,

P. J. Richardson  
President
