SUBJECT: " Request for Existing Information Relevant to Implementing the Workers Family Protection Act " response.

March 9, 1994

Dear Ms. Manning,

The Delaware Department of Natural Resources and Environmental Control's (DNREC) Environmental Response Branch (ERB) has no information on incidents within the State of Delaware in which an employee has contaminated his or her home with chemical, radiological, or infectious waste brought home from the work place. In addition, we have no knowledge of any family members becoming ill due to an exposure to a substance inadvertently brought home by an employee.

If you should have any questions please contact me at 302-739-3694.

Sincerely,

A handwritten signature in black ink, appearing to read "John H. Mohrman".
