CFDA: 93.776.

Authority: Section 6201(a)(4) of the Deficit Reduction Act of 2005 (DRA).

Purpose: This grant program has been made available to the State of Louisiana to restore and expand access to primary care, including primary mental health care, in the Greater New Orleans area. This area is facing inadequate primary care access as a result of Hurricane Katrina and its subsequent floods causing a unique negative impact on the low income and uninsured populations of Greater New Orleans.
