Notes

[^]Data was reported by jurisdictions, only if applicable. Jurisdictions that conducted and report two-stage screening results (inpatient & outpatient screen) completed these fields.

[‡]"No initial" includes infants who did not receive an initial screening, missed an initial screening or refused an initial screening. "No outpatient" includes infants who did not receive an outpatient screening, missed an outpatient screening or refused an outpatient screening.

*Data reported may be incomplete.

Definitions of data fields (Source: CDC EHDI 2015 HSFS Explanations Document):

- Passed initial / No outpatient: Infants who passed the initial screening and, did not receive an outpatient screening, missed an outpatient screening or refused an outpatient screening.
- No initial / Passed outpatient: Infants who did not receive an initial screening, missed an initial screening, or refused an initial screening, and passed the outpatient screening.
- Passed initial / Passed outpatient: Infants who passed the initial screening and passed the outpatient screening.
- Referred initial / Passed outpatient: Infants who did not pass the initial screening and passed the outpatient screening.
- Referred initial / No outpatient: Infants who did not pass the initial screening and did not receive an outpatient screening, missed an outpatient screening or refused an outpatient screening.
- No initial / Referred outpatient: Infants who did not receive an initial screening, missed an initial screening, or refused an initial screening, and did not pass the outpatient screening.
- Passed initial / Referred outpatient: Infants who passed the initial screening and did not pass the outpatient screening.
- Referred initial / Referred outpatient: Infants who did not pass the initial screening and did not pass the outpatient screening.
- Referred initial / straight to diagnostic evaluation: Infants who did not pass the initial screening and was referred directly for diagnostic evaluation.

Summary of Detailed Hearing Screening Results Among Infants with Documented Screening (CDC EHDH HSFS 2015, N=41*)

*Data was reported by jurisdictions, only if applicable. Jurisdictions that conducted and report two-stage screening results (inpatient & outpatient screen) completed these fields.

Definitions of data fields (Source: CDC EHDH 2015 HSFS Explanations Document):

- Passed initial / No outpatient: Infants who passed the initial screening and, did not receive an outpatient screening, missed an outpatient screening or refused an outpatient screening.
- No initial / Passed outpatient: Infants who did not receive an initial screening, missed an initial screening, or refused an initial screening, and passed the outpatient screening.
- Passed initial / Passed outpatient: Infants who passed the initial screening and passed the outpatient screening.
- Referred initial / Passed outpatient: Infants who did not pass the initial screening and passed the outpatient screening.
- Referred initial / No outpatient: Infants who did not pass the initial screening and did not receive an outpatient screening, missed an outpatient screening or refused an outpatient screening.
- No initial / Referred outpatient: Infants who did not receive an initial screening, missed an initial screening, or refused an initial screening, and did not pass the outpatient screening.
- Passed initial / Referred outpatient: Infants who passed the initial screening and did not pass the outpatient screening.
- Referred initial / Referred outpatient: Infants who did not pass the initial screening and did not pass the outpatient screening.
- Referred initial / straight to diagnostic evaluation: Infants who did not pass the initial screening and was referred directly for diagnostic evaluation.
