

**ICD-9-CM  
DIAGNOSIS TABULAR ADDENDA - Errata  
OCTOBER 1, 2011 (FY2012)**

The following items, which appeared in the ICD-9-CM Index to Diseases and Injuries FY12 Addenda (posted 6/10/2011), had errors and should appear as follows:

New code	<p>282.46 Thalassemia minor</p> <p style="padding-left: 20px;">Alpha thalassemia minor</p> <p style="padding-left: 20px;">Alpha thalassemia silent carrier</p> <p style="padding-left: 20px;">Alpha thalassemia trait</p> <p style="padding-left: 20px;">Beta thalassemia minor</p> <p style="padding-left: 20px;">Beta thalassemia trait</p> <p style="padding-left: 20px;">Delta-beta thalassemia trait</p> <p style="padding-left: 20px;">Thalassemia trait NOS</p> <p>Excludes: alpha thalassemia (282.43)</p> <p style="padding-left: 20px;">beta thalassemia (282.44)</p> <p style="padding-left: 20px;">delta-beta thalassemia (282.45)</p> <p style="padding-left: 20px;">hemoglobin E-beta thalassemia (282.47)</p> <p style="padding-left: 20px;">sickle-cell trait (282.5)</p>
Delete	282.49 Other thalassemia
Add	<del>Cooley's anemia</del>
Delete	Dominant thalassemia
Add	<del>Hb-Bart's disease</del>
Delete	Hemoglobin C thalassemia
Add	<del>Microdrepanocytosis</del>
Revise	Mixed thalassemia
Delete	Thalassemia <del>(alpha)</del> <del>(beta)</del> <del>(intermedia)</del> <del>(major)</del> <del>(minima)</del> <del>(minor)</del> <del>(mixed)</del> <del>(trait)</del> <del>(with other hemoglobinopathy)</del>
Delete	Thalassemia NOS
Add	Excludes: hemoglobin C disease (282.7)
Add	hemoglobin E disease (282.7)
Add	other hemoglobinopathies (282.7)
Add	sickle-cell anemias (282.60-282.69)
Add	sickle-cell beta thalassemia (282.41-282.42)
New code	284.12 Other drug-induced pancytopenia
	Excludes: aplastic anemia due to drugs (284.89)
New code	516.33 Acute interstitial pneumonitis
	Hamman-Rich syndrome

**ICD-9-CM  
DIAGNOSIS TABULAR ADDENDA - Errata  
OCTOBER 1, 2011 (FY2012)**

799.1 Respiratory arrest

Excludes: respiratory distress:

Revise

following trauma or surgery (518.52)  
syndrome (newborn) (769)

Revise

adult (following trauma or surgery) (518.52)
