

GET AHEAD OF SEPSIS

KNOW THE RISKS. SPOT THE SIGNS. ACT FAST.

CDC urges early recognition, prompt treatment of sepsis

[Get Ahead of Sepsis](#) from the Centers for Disease Control and Prevention (CDC) urges healthcare professionals, patients, and caregivers to be alert to the signs and symptoms of sepsis, act fast if sepsis is suspected, and prevent infections that can lead to sepsis.

Find *Get Ahead of Sepsis* educational materials and resources, including fact sheets, brochures, infographics, an educational video called “Four Ways to Get Ahead of Sepsis,” and a public service announcement at www.cdc.gov/sepsis.
