

## **5 Years – Tells a Story They Heard or Made Up with at Least Two Events: Audio Description**

Narration: Um, and, the first part I saw unicorns, and there's one with a rainbow horn and a red horn. There's so many colors, but it's sad for the momma unicorn because she had a big horn and she looked so pretty with her clothes on. And all the unicorns were sad—aw—but they start to get happy because she loved her mom.

Narration: Good! That was awesome!

Narration: But, there was also a kid behind her.

Narration: There was a kid behind her?

Narration: Yeah, and she was shy.

Narration: Oh, why was she shy?

Narration: Um, because all of the unicorns were bigger than her and she was the only one small.

Narration: Oh, ok. How did they make her feel better?

Narration: Uh, um, the momma's friends, um, cheered her on, like doing a silly joke. And then she started to get happy again.
