

ACKNOWLEDGEMENTS AND LIST OF CONTRIBUTORS

Acknowledgements

We would like to thank the following people for their efforts in making the Steps Program's core performance measures a reality.

Barbara Bichelmeyer (Indiana University) For a fresh perspective and invaluable support in helping us complete the final stage of this document.

Jeanne Casner and Alison Knight (Northrop Grumman) For an unrelenting attention to detail throughout the development of the reporting forms.

Erika Fulmer (RTI International) For dedication and creative approach as we put the pieces together.

Patricia Reiker (Boston University) For expert facilitation of CPM Workgroup calls.

Steps to a Healthier Colorado For taking the time and having the patience to pilot test the reporting forms.

Nancy Williams (Centers for Disease Control and Prevention (CDC)) For reviewing many drafts.

Contributors

This project would not have been possible without the support and contributions of many. Thank you to everyone for making this a successful collaboration.
