

CDC HIV Prevention Strategic Plan –Milestones

➔ Short-Term Milestone 1:

- By 2010, **decrease by at least 10%** the number of persons in the United States at high risk for acquiring or transmitting HIV infection by delivering targeted, sustained and evidence-based HIV prevention interventions.

➔ Short-Term Milestone 2:

- By 2010, through voluntary testing, increase from the current estimated **75% to 80%** the proportion of HIV-infected people in the United States who know they are infected.
