

CDC HIV Prevention Strategic Plan – Milestones (continued)

⇒ Short-Term Milestone 3:

- By 2010, **increase from 50% to 65%** the proportion of newly diagnosed HIV-infected people in the United States, who are linked to appropriate prevention, care and treatment services.

⇒ Short-Term Milestone 4:

- By 2010, **strengthen the capacity nationwide** to monitor the epidemic, develop and implement effective HIV prevention interventions and evaluate prevention programs.
