<sup>1</sup>"Past 12 months" is within the 12 months before the interview date.  
<sup>2</sup>"Primary partner" was defined as "a relationship with a man where you feel committed to him above anyone else and where you have had sex together."  
<sup>3</sup>"Non-primary" was defined as "a man who was not a primary partner."  
<sup>4</sup>Numbers may not add to totals due to missing data; Row percentages may not add to 100 due to rounding.  
<sup>5</sup>Total excludes 1 person with missing data and 2 persons who refused to answer if they had receptive anal intercourse with a primary partner in the past 12 months.  
<sup>6</sup>Total excludes 8 persons with missing data and 1 person who refused to answer if they had receptive anal intercourse with a non-primary partner in the past 12 months.
