¹Past 12 months" is within the 12 months before the interview date.

²Primary partner" was defined as "a relationship with a man where you feel committed to him above anyone else and where you have had sex together."

³Non-primary" was defined as "a man who was not a primary partner."

⁴Numbers may not add to totals due to missing data; Row percentages may not add to 100 due to rounding.

⁵Total excludes 15 persons with missing data and one person who refused to answer the question of if they had insertive anal intercourse with a non-primary partner.
