Note. Because of rounding, column percentages may not total to 100 percent. American Indian/Alaska Native excluded due to small numbers. See Table 4 for cumulative totals of all races. 234 cases excluded due to unknown race/ethnicity.

<sup>a</sup> Excludes 232 cases with missing information.

<sup>b</sup> Includes 1 HIV-exposed infant per pregnancy with the assumption that all infants of multiple birth received the same antiretroviral therapy.

<sup>c</sup> Excludes 1,343 cases with missing information.

<sup>d</sup> Excludes 167 cases with missing information.

<sup>e</sup> Excludes 8 cases with missing information.
