Twenty-Fifth Meeting
July 12, 2018

Teleconference Meeting

Closed to the Public

Summary Proceedings

The twenty-fifth meeting of the National Center for Injury Prevention and Control (NCIPC) Board of Scientific Counselors (BSC) was convened on Thursday, July 12, 2018 via teleconference and Adobe Connect. The BSC met in closed session in accordance with the Privacy Act and the Federal Advisory Committee Act (FACA). Dr. Christina Porucznik served as chair.

This meeting was closed to the public in accordance with the determination that it was concerned with matters exempt from mandatory disclosure under Sections 552b(c)(4) and 552b(c)(6), title 5, U.S. Code and Section 10(d) of the Federal Advisory committee Act, as amended (5 U.S.C. Appendix 2). The Scientific Review Officer explained policies and procedures regarding avoidance of conflict of interest situations; voting and priority rating; and confidentiality of application materials, committee discussions, and recommendations. Committee members absented themselves from the meeting during discussion of, and voting on, applications from their own institutions, or other applications in which there was a potential conflict of interest, real or apparent.

Upon establishing a quorum, a secondary review was conducted for the following NCIPC Funding Opportunity Announcements (FOAs):

- *RFA-CE-18-002: Evaluation of Policies for The Primary Prevention of Multiple Forms of Violence.* The initial Disease, Disability, and Injury Prevention and Control Special Emphasis Panel (SEP) convened in person on May 23, 2018 to review the scientific and technical merit of these applications.
- *RFA CE-18-003: Research on Improving Pediatric mTBI Outcomes Through Clinician Training, Decision Support, and Discharge Instructions.* The initial SEP convened in person on May 16, 2018 to review the scientific and technical merit of these applications.
- *RFA-CE-18-004: Research to Evaluate Medications Management Of Opioids And Benzodiazepines to Reduce Older Adult Falls.* The initial SEP to convened in person on June 6, 2018 to review the scientific and technical merit of these applications.

Certification
