2010 ARKANSAS MINE SAFETY AND HEALTH CONFERENCE

The Arkansas Department of Labor invites you to attend the Arkansas Mine Safety and Health Conference on February 4-5, 2010. The conference will be held at:

Clarion Resort on the Lake
4813 Central Avenue
Hot Springs, Arkansas

The conference is a cooperative effort of the Arkansas Department of Labor, Federal Mine Safety and Health Administration, and mining industries in Arkansas.

The mining industry's most precious resource is **"THE MINER."** Therefore, the purpose of this conference is to provide a forum for the mining community to focus on mine safety and health concerns. Since everyone associated with mining has responsibilities in matters relating to mine health and safety, the conference information is applicable to all.

Fees:

\$60 for both days if pre-registered by 1/22/10

\$65 for both days after 1/22/10

\$20.00 for Day Two only

Prepaid registration fees are not refundable due to incurred expenses, but substitutions are permitted.

In an effort to promote more miner participation and to allow more flexibility for participating companies, a Day Two Only option is available. A full registration fee is required if attending Day One only. In addition to the conference being cost-effective, attendance can count towards annual refresher training if the proper documentation is completed.

On-site registration will be from 7:00 a.m. – 8:00 a.m. on both days. The conference begins at 8:00 a.m. on both days. Opportunities to visit vendor booths will be provided on both days. To register as a vendor, please contact Shane Weatherford at 501-262-1270 (ext 278) or shane.weatherford@stratcor.com.

For those needing overnight lodging, you will be responsible for making your own room reservation. A block of rooms has been reserved for conference participants at a special rate of single or double @ \$89.95 + tax. You may make your reservations by contacting the Clarion Resort on the Lake @ 501-525-1391 or 800-432-5145. Please identify yourself as a participant of the Arkansas Mine Safety and Health Conference in order to receive the reduced rate.

The facilities for the meeting are accessible for individuals with disabilities; however, please advise in advance whether any attendee will require assistance.

For more information, contact Susan Weaver @ 501-682-4520 or susan.g.weaver@arkansas.gov.
