

More Info

Conferences

The **National Immunization Conference** is held annually for the purpose of bringing together a wide variety of local, state, federal, and private-sector immunization partners to explore science, policy, education, and planning issues related to immunization and vaccine-preventable diseases. Visit the NIP website for more information:

www.cdc.gov/nip/nic

The **Immunization Registry Conference** is held annually for the purpose of providing participants with programmatic, technical, and scientific information that will improve the use of immunization registries. Visit the NIP website for more information:

www.cdc.gov/nip/registry/irc

ImmuEd Listserv

The ImmuEd Listserv is a forum for immunization providers to discuss cutting-edge issues and exchange ideas, tools, achievements, and lessons learned. To enroll, send an e-mail to listserv@cdc.gov. Leave the subject line blank. Your message should read, "Subscribe, ImmuEd" followed by your "first name" and "last name."

Continuing Education

For information about continuing education (CE) credits offered through the CDC or to view the course catalogue, visit the CDC Public Health Training Network (PHTN):

www.phppo.cdc.gov/phtn

Find all your
immunization education
needs here!
