

**Health Level Seven (HL7) Standard Code Set
MVX – Manufacturers of Vaccines**

Maintained by the Centers for Disease Control and Prevention (CDC)

Updated: March 15, 2004

Reviewed: March 15, 2004

The CDC's National Immunization Program maintains the HL7 external code set MVX. The implementation of the HL7 standard for immunization data exchange is described in Chapter 4 of the HL7 standard. The codes in HL7 Version 2.3 table 0227 represent the initial content of the external MVX code set. This document represents the most up-to-date version of the MVX code set.
