

TRAINING GUIDE FOR HIV PREVENTION OUTREACH TO INJECTING DRUG USERS

DRAFT CERTIFICATES

Certificate templates are provided for:

Programme management workshop

Managing outreach programmes among injecting drug users

Certificates should be provided to each workshop/course participant who completes the workshop or course. Ensure that the venue, training provider (organization) and trainer's name are completed, and print sufficient certificates for all participants. Trainers usually fill in the name of the participant by hand and sign each certificate.
