

Division of Tuberculosis Elimination Educational and Training Materials

Note: All materials listed are in the public domain. You may reproduce these materials without permission. You are also free to adapt and revise these materials; however, you must remove the CDC name and logo if changes are made. Please indicate desired quantity in the blank provided. All materials are free of charge unless otherwise noted.

For Health Care Providers

World TB Day Posters

<http://www.cdc.gov/tb/events/WorldTBDay/poster.htm>

Stop TB In My Lifetime (2012) (Order Limit 10 Each)

____ (22-1171) **English** (Available Online Only)

____ (22-1172) **Spanish**

TB Elimination: Together We Can! (2011) (Order Limit 100 Each)

____ (22-0606) **English**

Spanish (Available Online Only)

TB Elimination: Together We Can! (2010) (Order Limit 100 Each)

____ (21-1043) **English**

____ (21-1044) **Spanish**

Partnerships for TB Elimination (2008) (Order Limit 50 Each)

English (Available Online Only)

____ (99-9183) **Spanish**

TB Elimination: Now Is the Time (Order Limit 50 Each)

English (2004) – Olive Background (Available Online Only)

____ (99-9610) **Spanish** (2004) – Olive Background

English (2004) – Green Center, Top and Bottom has Blocks with Faces (Available Online Only)

English (2003) – Blue Background (Available Online Only)

Spanish (2003) – Blue Background (Available Online Only)

English (2003) – Orange Background (Available Online Only)

____ (99-9608) **Spanish** (2003) – Orange Background

Forging Partnerships to Eliminate Tuberculosis Toolkit

A resource guide and toolkit for strengthening TB elimination strategies through partnerships. The booklet is a printed version of the guide and toolkit. The CD ROM includes the guide (in PDF format) and toolkit (in PDF and Word formats that can be adapted for local use). The CD ROM can also be ordered separately.

____ (00-6552) **Guide and CD ROM** (2011) (Order Limit 10)

____ (99-8802) **CD ROM** (2007) (Order Limit 20) (Currently Out of Stock)

TB Elimination - Now Is the Time Brochure (2012) (Order Limit 100)

____ (99-6893) A six-page color brochure designed to educate the general public about the status of the TB epidemic in the U.S. with general TB information, HIV-TB co-infection, TB's disproportionate burden on minorities and what needs to be done to eliminate TB in the US

TB Information Guide CD ROM (January 2011) (Order Limit 100) (Currently Out of Stock)

____ (21-1240) CD-ROM containing TB educational materials, major TB guidelines, MMWRs, surveillance reports, & slide sets

Effective TB Interviewing for Contact Investigation (Order Limit 10 Each)

____ (99-8214) **Facilitator-led Training Guide** (2006) - An interactive, skill-building guide designed to improve the knowledge and proficiency of TB staff responsible for conducting the TB interview. Guide is intended for facilitators who will be conducting TB interviewing courses.

____ (99-8215) **Self-Study Modules** (2006) - A series of 4 modules, including an overview of the TB interview for contact investigations, basics of communication and patient education, cultural competency, and special interview circumstances.

____ (99-7789) **Video** (2004)

____ (22-0660) **DVD** (2011)

67-minute video/DVD demonstrates successful interviewing strategies with TB patients and is designed to enhance the knowledge and skills of health care workers who are responsible for conducting TB interviews with patients as part of contact investigations.

Understanding the TB Cohort Review Process (Order Limit 10 Each)

Explains the three key elements of the cohort review process and how to adapt the cohort review process to your own TB program.

____ (99-8369) **Guide and DVD (2006) (Currently Out of Stock)**

____ (99-9271) **DVD (2006) (Currently Out of Stock)**

Latent Tuberculosis Infection: A Guide for Primary Health Care Providers (2010) (Order Limit 25)

____ (22-0468) *Booklet on latent TB infection diagnosis and treatment.*

TB/HIV Co-infection Brochure (2005) (Order Limit 50) (Currently Out of Stock)

____ (99-7314) *4-page color brochure is designed to educate staff of AIDS service organizations about TB and encourage them to collaborate with their local TB control program.*

Reported TB in the United States (2010) (Order Limit 50)

____ (22-1036) *Statistics on tuberculosis cases and case rates reported for 2010.*

<http://www.cdc.gov/tb/statistics/reports/2010/pdf/report2010.pdf>

Core Curriculum on Tuberculosis (Order Limit 25) (Currently Out of Stock)

____ (21-1092) **Guide – 5th Edition (2011)**

The Core Curriculum is intended for use as a self-study guide or reference manual for clinicians and other public health professionals caring for people with or at high risk for TB disease or infection. In addition, the Core Curriculum includes a slide set designed to be useful in developing educational programs.

The Core Curriculum was revised in 2011 to reflect new guidelines for TB prevention, treatment, testing, diagnosis, and patient management and public health practice.

Mantoux Tuberculin Skin Testing (Order Limit 50 Each)

____ (99-7047) **Ruler (2002) (Ruler to use in measuring test reaction)**

____ (00-5564) **Wall Chart (2004) (Wall chart of steps and procedures in skin testing)**

____ (99-9760) **DVD Kit (2003) (Includes DVD, facilitator guide, and ruler)**

Self-Study Modules on Tuberculosis (Order Limit 10 Each)

____ (00-6514) **Modules 1-5 (2008) – An updated series of five modules covering epidemiology, transmission and pathogenesis, diagnosis, treatment of TB infection and TB disease, and infection control.**

Modules 6-9 (2000) – A continuation of the Self-Study Modules on TB series, these four modules cover contact investigations, confidentiality, TB surveillance and case management in hospitals and institutions and patient adherence. (Available Online Only) <http://www.cdc.gov/tb/education/ssmodules/default.htm>

Think TB!

Poster listing the symptoms of tuberculosis

____ (00-6186) **English (1992) (Order Limit 20 Each)**

____ (00-6406) **Spanish (1993) (Order Limit 20 each)**

Federal TB Task Force Plan in Response to the IOM Report (2003) (Order Limit 50)

____ (99-7679) *76-page plan developed by the Federal TB Task Force to guide implementation at the federal level of the recommendations in the IOM report, outlining specific agency roles and detailed action steps.*

CDC's Response to the IOM Report (2002) (Order Limit 50) (Currently Out of Stock)

____ (99-7347) *62-page document is CDC's response to the IOM's TB elimination challenge.*

TB Education and Training Resources Web Site

This Web site includes a searchable database of materials from numerous national and international organizations. It can be found at www.findtbresources.org.

For Patients and the General Public

Questions and Answers about TB (Order Limit 100 Each)

Booklet on TB transmission, skin test, and treatment, including DOT and medication side effects

____ (21-1024) **English (2009)** (Currently Out of Stock)

____ (21-1019) **Spanish (2009)**

PATIENT EDUCATION MATERIALS SERIES:

Get the Facts About TB Disease (Order Limit 50 Each)

Booklet about TB transmission, treatment for TB disease, and how to communicate with family and friends about TB

____ (99-8218) **English (2005)**

____ (99-9369) **Spanish/English (2008)**

____ (99-9365) **Tagalog/English (2008)**

What You Need to Know About TB Infection (Order Limit 50 Each)

Booklet on TB infection, including the TB skin test, treatment, and adherence to medication

____ (99-8219) **English (2005)**

____ (99-9373) **Spanish/English (2008)**

____ (99-9366) **Tagalog/English (2008)**

What You Need to Know About the TB Skin Test (Order Limit 50 Each)

Fact sheet on the basics of the TB skin test

____ (99-8220) **English (2005)**

____ (99-9368) **Spanish/English (2008)**

____ (99-9367) **Tagalog/English (2008)**

Protect Your Family and Friends from TB: The TB Contact Investigation (Order Limit 50 Each)

Booklet on how to protect family and friends from TB, and how to talk to a healthcare worker during a contact investigation

____ (99-8221) **English (2005)**

____ (99-9370) **Spanish/English (2008)**

____ (99-9362) **Tagalog/English (2008)**

Take Steps to Control TB When You have HIV (Order Limit 50 Each)

Booklet about the importance of TB testing, treating TB infection, and treating TB disease when a person has HIV infection

____ (99-8222) **English (2005)**

____ (99-9372) **Spanish/English (2008)**

____ (99-9360) **Tagalog/English (2008)**

Staying on Track with TB Medicine (Order Limit 50 Each)

Booklet about treatment and ways to adhere to medication regimens for TB infection and TB disease

____ (99-8223) **English (2005)**

____ (99-9371) **Spanish/English (2008)**

____ (99-9363) **Tagalog/English (2008)**

OTHER MATERIALS FOR PATIENTS AND GENERAL PUBLIC:

Tuberculosis - Get the Facts! (Order Limit 200 Each)

One-page pamphlet on basic facts about TB transmission, infection, and the tuberculin test

____ (00-5743) **English (2005)**

____ (00-5772) **Spanish (2006)**

Tuberculosis - The Connection Between TB and HIV (the AIDS Virus) (Order Limit 100 Each)

One-page pamphlet on the risk of HIV-related TB, tuberculin testing, and preventive therapy

____ (00-5738) **English (2005)**

____ (00-5745) **Spanish (2006)**

Stop TB! - 1994 - Poster uses pictures and text to describe the transmission and pathogenesis of TB

____ (00-6474) **Poster (Order Limit 50)** (Currently Out of Stock)

Major Guidelines – additional TB guidelines may be found on the DTBE website at <http://www.cdc.gov/tb/publications/guidelines/default.htm>

CDC. Recommendations for Use of an Isoniazid-Rifapentine Regimen with Direct Observation to Treat Latent *Mycobacterium tuberculosis* Infection. *MMWR* 2011;60:1650-1653.
(Available Online Only)

____ (22-0089) **Updated Guidelines for Using Interferon Gamma Release Assays to Detect *Mycobacterium tuberculosis* Infection – United States, 2010.** *MMWR* June 25,2010. (Order Limit 50)

____ (99-9761) **Plan to Combat Extensively Drug-Resistant TB** *MMWR*, 02/13/09. (Order Limit 50)

Prevention and Control of TB in Correctional and Detention Facilities. *MMWR*, 7/6/2006.
(Available Online Only)

Guidelines for Preventing the Transmission of *Mycobacterium tuberculosis* in Health-Care Settings. *MMWR*, 12/28/05. (Available Online Only)

____ (99-8451) **Guidelines for the Investigation of Contacts of Person with Infectious TB: Recommendations of NTCA and CDC; and Guidelines for Using the QuantiFERON TB Gold Test for Detecting *Mycobacterium tuberculosis*.** *MMWR*, 12/16/05. (Order Limit 50)
<http://www.cdc.gov/mmwr/pdf/rr/rr5415.pdf>

____ (99-8160) **National Plan for Reliable Tuberculosis Laboratory Services Using a Systems Approach.** *MMWR*, 4/15/2005 (Order Limit 50)

____ (99-7490) **Treatment of Tuberculosis.** *MMWR*, 6/20/03. (Order Limit 50)

____ (99-6422) **Targeted Tuberculin Testing and Treatment of Latent TB Infection.** *MMWR*, 6/9/00; and **Update: Adverse Event Data and Revised American Thoracic Society/CDC Recommendations Against the Use of Rifampin and Pyrazinamide for Treatment of Latent TB Infection.** *MMWR*, 2003. (Order Limit 50)

____ (99-6725) **Preventing and Controlling Tuberculosis Along the U.S.-Mexico Border.** *MMWR*, 1/19/01. (Order Limit 50)

Diagnostic Standards and Classification of Tuberculosis in Adults and Children.
Reprint from the *American Journal of Respiratory and Critical Care Medicine*, 4/00. (Order Limit 50)
(Available Online Only)

Fact Sheets

The following fact sheets are available at <http://www.cdc.gov/tb/publications/factsheets/default.htm>:

General Information

- Tuberculosis - General Information
- BCG Vaccine
- The Difference Between Latent TB Infection and TB Disease
- TB Fact Sheets
 - TB Can Be Treated
 - Exposure to TB
 - TB and HIV/AIDS
 - You Can Prevent TB
 - Testing for TB

Drug-Resistant Tuberculosis

- Multidrug-Resistant TB
- Extensively Drug-Resistant Tuberculosis (XDR TB)
- CDC's Role in Preventing Extensively Drug-Resistant TB

Testing and Diagnosis

- Testing for Tuberculosis
- Recommendations for HIV Screening in TB Clinics
- Interferon-Gamma Release Assays (IGRAs)-Blood Tests for TB Infection
- Tuberculin Skin Testing
- Diagnosis of Tuberculosis Disease
- Targeted Tuberculin Testing and Interpreting Tuberculin Skin Test Results

Treatment

- Treatment of Latent Tuberculosis Infection: Maximizing Adherence
- Treatment Options for Latent Tuberculosis Infection
- Treatment of Drug-Resistant Tuberculosis
- Treatment of Drug-Susceptible Tuberculosis Disease in Persons Not Infected with HIV
- Treatment of Drug-Susceptible Tuberculosis Disease in HIV-Infected Persons

Data and Statistics

- A Global Perspective on TB
- Trends in Tuberculosis, 2008, United States
- The Revised Report of Verified Case of TB
- The National TB Indicators Project (NTIP)
- The National TB Indicators Project (NTIP): Frequently Asked Questions
- TB Genotyping Information Management System (TB-GIMS) (2008)
- TB Genotyping

Infection Control

- Respiratory Protection in Health-Care Settings
- Infection Control in Health-Care Settings

Fact Sheets (cont'd)

Special Populations

- TB Information for Employers in Non-health-care Settings
- TB in Blacks
- TB in Minorities
- Tuberculosis Information for International Travelers
- Tuberculosis and Pregnancy

Slide Sets

The following slide sets are available at <http://www.cdc.gov/tb/publications/slidesets/default.htm>:

- Core Curriculum on Tuberculosis
- Epidemiology of Pediatric Tuberculosis in the United States
- Guidelines for Preventing the Transmission of *M. tuberculosis* in Health-Care Settings
- Investigation of Contacts of Persons with Infectious Tuberculosis
- Prevention and Control of Tuberculosis in Correctional and Detention Facilities
- Tuberculosis in the United States – 2010 (Data and Statistics)
- Targeted Tuberculosis (TB) Testing and Treatment of Latent Tuberculosis Infection
- Treatment of Tuberculosis
- Surveillance
