### Example

Basketball +  
Kickball =

Baskickball

Pick up a kickball and head to the court. Play regulation basketball with kickball skills, which means you use a kick ball and can't use your hands. Kick the ball to your teammates instead of passing. See if anyone can kick the ball high enough to make a basket. Use a lower basket for higher scores.

**CHANGE THE GAME.**

HooHooHooH

The pace of a regular basketball game slows down, but the challenge goes up when every player must hop instead of run. Hop on two feet, right foot, or left foot while dribbling the basketball. Your team just made a shot? Now everyone hop back down the court!

**Basket Disk**  
Grab a disk  
at the  
counter.

**Basket Dash** What would basketball be without all that dribbling? Basket Dash! Run as fast as you can, but don't be a ball hog. Keep your teammates on your side — at least half the time.

**et Tag** on the court  
in the range

**Hopscotch**  
The court looks a little  
different when you play  
hopscotch. Instead of a  
square, it's a large rectangle.  
A game of hopscotch  
can be quite a challenge.  
When you jump, you have  
to keep your feet inside  
the lines. If you step out,  
you're out. You can't go  
back in. You have to wait  
until everyone else has  
jumped. Then you can  
try again.

**Jumping Hoops**  
Play a standard game of  
"HORSE" with one  
addition: every letter  
you make you must  
jump rope 20 times  
before shooting the  
next letter. Miss a  
letter? Now you  
must jump rope  
30 times while  
the other player  
shoots.

**Baseketball**  
Place four "bases" around the basketball court. The batter is the same as a passer in Baseketball. Pass or throw the basketball as far as you can, all the way to the outfield, run the bases before the opposing team member catches the ball and makes a basket. First team to score gets the point.

**Go Wild!**  
Land on Go  
students can  
something new.  
Combine basket-  
with your favor-  
activity or sport  
ake your shot!
