NOTES: Race and Hispanic origin are reported separately on birth certificates. Race categories are consistent with the 1977 Office of Management and Budget standards. Six states reported multiple-race data in 2003. The multiple-race data for these states were bridged to the single-race categories of the 1977 Office of Management and Budget standards for comparability with other states; see "Technical Appendix." In this table all women (including Hispanic women) are classified only according to their race; see "Technical Appendix."
