

inquiry from the congressional office made at the written request of that individual.

In the event of litigation where the defendant is (a) the Department, any component of the Department, or any employee of the Department in his or her official capacity; (b) the United States where the Department determines that the claim, if successful, is likely to directly affect the operations of the Department or any of its components; or (c) any Department employee in his or her individual capacity where the Justice Department has agreed to represent such employee, for example, in defending a claim against the Public Health Service based upon an individual's mental or physical condition and alleged to have arisen because of activities of the Public Health Service in connection with such individual, disclosure may be made to the Department of Justice to enable that Department to present an effective defense, provided that such disclosure is compatible with the purpose for which the records were collected.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

File folders.

RETRIEVABILITY:

Records are retrieved alphabetically by name.

SAFEGUARDS:

1. **AUTHORIZED USERS:** Access is granted to only a limited number of physicians, scientists, statisticians, and designated support staff of the Centers for Disease Control (CDC), as authorized by the system manager to accomplish the stated purposes for which the data in this system have been collected.

2. **PHYSICAL SAFEGUARDS:** Locked cabinets in locked rooms, electronic anti-intrusion devices in operation at the Federal Records Center, 24-hour guard service in buildings, personnel screening of visitors.

3. **PROCEDURAL SAFEGUARDS:** Users of individually identified data protect information from public scrutiny, and only specifically authorized personnel may be admitted to the record storage area. CDC employees who maintain records are instructed to check with the system manager prior to making disclosures of data.

4. **IMPLEMENTATION GUIDELINES:** DHHS Chapter 45-13 and supplementary Chapter PHS.hf: 45-13 of the General Administration Manual. FRC safeguards are in compliance with GSA Federal

Property Management Regulations, Subchapter B—Archives and Records.

RETENTION AND DISPOSAL:

Records are maintained in agency for five years. Disposal methods include erasing computer tapes, burning or shredding paper materials or transferring records to the Federal Records Center when no longer needed for evaluation and analysis. Records are to be maintained permanently.

SYSTEM MANAGER(S) AND ADDRESS:

Director, Center for Prevention Services, Freeway Office Park, Rm. 310, Centers for Disease Control, 1600 Clifton Road, Atlanta, GA 30333.

NOTIFICATION PROCEDURE:

An individual may learn if a record exists about himself or herself by contacting the system manager at the address above. Requesters in person must provide driver's license or other positive identification. Individuals who do not appear in person must either (1) submit a notarized request to verify their identity or (2) certify that they are the individuals they claim to be and that they understand that the knowing and willful request for or acquisition of a record pertaining to an individual under false pretenses is a criminal offense under the Privacy Act subject to a \$5,000 fine.

An individual who requests notification of or access to medical records shall, at the time the request is made, designate in writing a responsible representative who is willing to review the record and inform the subject individual of its contents at the representative's discretion.

A parent or guardian who requests notification of, or access to, a child's medical record shall designate a family physician or other health professional (other than a family member) to whom the record, if any, will be sent. The parent or guardian must verify relationship to the child by means of a birth certificate or court order, as well as verify that he or she is who he or she claims to be.

The following information must be provided when requesting notification: (1) Full name; (2) the approximate date and place of the study, if known; (3) nature of the questionnaire or study in which the requester participated.

RECORD ACCESS PROCEDURES:

Same as notification procedures. Requesters should also reasonably specify the record contents being sought. An accounting of disclosures that have been made of the record, if any, may be requested.

CONTESTING RECORD PROCEDURES:

Contact the official at the address specified under System Manager above, reasonably identify the record and specify the information being contested, the corrective action sought, and the reasons for requesting the correction, along with supporting information to show how the record is inaccurate, incomplete, untimely, or irrelevant.

RECORD SOURCE CATEGORIES:

Participants and family members of participants entitled to medical care; Social Security Administration for Medicare information; and State welfare departments for information on Medicaid.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

Immigrant aliens with waivers of excludability who are mentally retarded or who have had one or more attacks of insanity.

CATEGORIES OF RECORDS IN THE SYSTEM:

Medical history files.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Public Health Service Act, Section 325, "Examination of Aliens" (42 U.S.C. 252); Immigration and Nationality Act, Section 212(g), "Application for Waiver of Grounds of Excludability" (8 U.S.C. 1182(g)).

PURPOSE(S):

To comply with the requirements of Section 212(g) of the Immigration and Nationality Act, the Centers for Disease Control (CDC) must receive and maintain medical records on aliens who apply for waivers of excludability due to mental retardation or a previous attack of insanity. CDC is furnished with a copy of the alien's medical examination

report and psychiatric/psychological evaluation and uses the information to process the initial applications for such waivers and for periodic medical surveillance and evaluation of individual cases.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

Department of State (DOS) or Immigration and Naturalization Service (INS) obtains initial medical examinations and submits to the Division of Quarantine, CDC. Final diagnosis returned to submitter. Alien or sponsor furnishes copy of medical file to local health care facility in the United States.

Disclosure may be made to a congressional office from the record of an individual in response to a verified inquiry from the congressional office made at the written request of that individual.

In the event of litigation where the defendant is (a) the Department, any component of the Department, or any employee of the Department in his or her official capacity; (b) the United States where the Department determines that the claim, if successful, is likely to directly affect the operations of the Department or any of its components; or (c) any Department employee in his or her individual capacity where the Justice Department has agreed to represent such employee, for example, in defending a claim against the Public Health Service based upon an individual's mental or physical condition and alleged to have arisen because of activities of the Public Health Service in connection with such individual, disclosure may be made to the Department of Justice to enable that Department to present an effective defense, provided that such disclosure is compatible with the purpose for which the records were collected.
