

Survivor Benefits

Are you eligible for health care related to your 9/11 experience?

You could be eligible for 9/11-related health care if you lived, worked, went to school, or were in the New York City Disaster Area in the days, weeks, or months after 9/11. The World Trade Center (WTC) Health Program provides medical monitoring and treatment for certified WTC-related health conditions at no out-of-pocket cost.

Over the past year, Survivors received approximately:

- **28,000** Monitoring or screening exam services
- **40,000** Treatment services
- **10,000** Diagnostic services
- **83,000** prescriptions filled

Monitoring Exams

Survivors receive one covered initial health evaluation. Once a condition is certified as WTC-related, they are eligible for annual monitoring exams.

Mental Health Care

The Program covers treatment services for certified WTC-related mental health conditions such as anxiety disorders and Post-Traumatic Stress Disorder (PTSD).

Pharmacy Benefits

The Program covers prescription medication used to treat certified WTC-related health conditions that can be filled through:

- Retail: Up to 90-day supply at retail pharmacies in Express Scripts network AND in your primary insurance network
- Home delivery: 90-day supply through home delivery pharmacy in Express Scripts network AND in your primary insurance network
- Specialty: Up to 30-day supply at any pharmacy in Express Scripts network AND in your primary insurance network

Benefits Counseling

The WTC Health Program offers benefits counseling to help members access other social services and medical assistance programs including:

- Workers' compensation
- September 11th Victim Compensation Fund
- Other health insurance
- Cancer care assistance
