1 - These counts are of new members who have been enrolled under the Zadroga Act requirements, and adjustments may be made each quarter to account for member records changes.

2 - These counts are of new members and members enrolled prior to 7/1/2011, and adjustments may be made each quarter to account for member records changes.

3 - These counts are based on claims for services that were paid during this 12-month period.

4 - This health care is for determining if a member has a WTC condition and for certifying that health condition.

5 - These counts do not equal the sum of counts below because members can be counted in more than one subcategory of treatment.

6 - Healthcare data are incomplete.
