## PRESIDENT'S 2016 BUDGET REQUEST FOR CDC

Additional funding requests to fight new health threats that pose a serious risk to America's health security.

### DETECTING and PROTECTING AGAINST ANTIBIOTIC RESISTANCE

Requested an increase of \$264 million in 2016 to better detect and track germs that resist existing antibiotics and threaten to return the U.S. to a time when simple infections were fatal.

### RESPONDING to the PRESCRIPTION PAINKILLER DRUG OVERDOSE EPIDEMIC

Requested an increase of \$54 million in 2016 to reduce an alarmingly growing epidemic of prescription drug abuse in the U.S.

### RESPONDING to DISEASE THREATS AROUND the WORLD

Requested an increase of \$22 million in 2016 to improve tracking and response in other countries so new health threats are stopped before they reach the U.S.
