

WORK GROUP PLANS AND TIMELINES

Nicole Lindsey, MS
CDC Deputy Lead, Chikungunya Vaccines Work Group
Arboviral Diseases Branch
Centers for Disease Control and Prevention

ACIP meeting
February 23, 2023

Work Group timeline (tentative)

Summary of Work Group plans and activities

- Comprehensive review of immunogenicity and safety data (GRADE)
- Future presentations to ACIP on topics relevant to consideration of vaccine use in U.S. territories and states with risk of transmission
- Over longer term, additional vaccine data in younger age groups and/or additional chikungunya vaccines

Thank you
