

WORK GROUP PLANS AND TIMELINES

Susan Hills, MBBS, MTH
CDC Lead, Chikungunya Vaccines Work Group
Arboviral Diseases Branch
Centers for Disease Control and Prevention

ACIP meeting
June 22, 2023

Work Group timeline (tentative)

Longer term Work Group plans and activities

- Future presentations on topics relevant to consideration of vaccine use in U.S. territories and states with risk of transmission
- Possibly additional vaccine data in younger age groups and/or additional chikungunya vaccines

Thank you
