

**WE'RE
DOING
IT**
Testing for **HIV**

#DoingIt

YOUR #DOINGIT CHECKLIST:

- ✓ **Get tested for HIV.** CDC recommends that everyone get tested for HIV at least once as part of routine health care and that people with certain risk factors get tested more often. Visit [cdc.gov/DoingIt](https://www.cdc.gov/DoingIt) to find a testing facility near you, learn facts about HIV, and how HIV is affecting our communities.
- ✓ **Encourage others to get tested.** In 2014, 44% of estimated new HIV diagnoses in the United States were among African Americans, who comprise 12% of the US population.
- ✓ **Join the #DoingIt movement.** Visit [cdc.gov/DoingIt](https://www.cdc.gov/DoingIt) to download free materials and resources to share with your network and community.
