How to send information about a suspected AFM case to the health department

**1 Identify suspect case of AFM: patient with onset of acute flaccid limb weakness**

**2 Contact your health department when you identify a suspect case of AFM. For health department contact information, call the CDC Emergency Operations Center at 770-488-7100.**

**3 Health department completes AFM Patient Summary Form, compiles medical records, and sends information to CDC. Patient will be classified by national AFM experts.**

**4 After expert review, patient classification is given back to health department and relayed to clinician by health department.**
