

How to Clean and Dry your Cloth Mask

Washing and drying using washers and dryers

- Include your mask with your regular laundry and use regular laundry soap.
- After washing, put your mask in the dryer and dry it completely.

Washing and drying by hand

- Wash your mask with tap water and laundry detergent or soap.
- Rinse thoroughly with clean water to remove detergent or soap.
- Hang your mask in direct sunlight if you can lay it flat and let it dry completely.

Wash cloth masks when they become dirty
