

## Nonreporting ART Clinics for 2011, by State

---

The clinics listed below provided ART services and were in operation as of January 1, 2011 and accordingly were required to submit ART cycle data under the provisions of the Fertility Clinic Success Rate and Certification Act passed by the U.S. Congress. These clinics either failed to submit data or did not provide verification by the clinic medical director that the tabulated success rates were correct, as required for publication.

Consumers who are aware of a clinic that was in operation in 2011 but is not included in this report's lists of either reporting or nonreporting clinics are encouraged to contact us with the complete name, mailing address, and telephone number of the clinic, by e-mail at [cdcinfo@cdc.gov](mailto:cdcinfo@cdc.gov) (Subject: ART) or by regular mail at CDC, ATTN: ART Surveillance and Research Team; 4770 Buford Highway, N.E.; Mail Stop F-74; Atlanta GA 30341-3717. Providing this information will help ensure that clinics that should be in the report will be included in upcoming years.

Clinic names preceded by the † symbol have closed since January 1, 2011.
