Notes:  
\* CI denotes confidence interval.  
\*\* Total includes data from 33 states plus the District of Columbia and excludes the territory, Puerto Rico.

If values for the standard error and the 95% confidence interval are not provided, the normal approximation to the binomial distribution does not apply due to small sample size.

When the sample size is less than 50, estimates are not precise and should be interpreted with caution.

Notes:  
\* CI denotes confidence interval.  
\*\* Total includes data from 33 states plus the District of Columbia and excludes the territory, Puerto Rico.

If values for the standard error and the 95% confidence interval are not provided, the normal approximation to the binomial distribution does not apply due to small sample size.

When the sample size is less than 50, estimates are not precise and should be interpreted with caution.

Notes:  
\* CI denotes confidence interval.  
\*\* Total includes data from 33 states plus the District of Columbia and excludes the territory, Puerto Rico.

If values for the standard error and the 95% confidence interval are not provided, the normal approximation to the binomial distribution does not apply due to small sample size.

When the sample size is less than 50, estimates are not precise and should be interpreted with caution.

**Table L3**  
**Child Lifetime Asthma Prevalence Rate (Percent)**  
**and Prevalence (Number) by Age and State or Territory: BRFSS 2007**

| State       | Age Group | Sample Size | Prevalence (Percent) | Standard Error | 95% CI * (Percent) |  | Prevalence (Number) | 95% CI * (Number)  |
