Notes: For additional information on methods and variable description, refer to “Technical Information, available at: <https://www.cdc.gov/asthma/brfss/2020/child/brfsschildtechninfo.html>

<sup>a</sup>Aged 0-17

<sup>b</sup>Current asthma question: Does the child still have asthma?

<sup>c</sup>Weighted number of respondents who answered the current asthma question

<sup>d</sup>Unweighted number of respondents who answered the current asthma question

<sup>e</sup>CI denotes confidence interval

<sup>f</sup>Total includes data from 30 states and DC, but excludes Puerto Rico

<sup>g</sup>././blank: Suppressed if the normal approximation to the binomial distribution does not apply due to small sample size or relative standard error (RSE)>30%
