Cooking n' Cleaning Tip # 1

QUICK COOKIN'.

Microwaves are quick and easy but a fire can start if you use the wrong cooking gear. Ask your parents to make sure you know what to use.

Cooking n' Cleaning Tip # 2

HEATWAVE.

Microwaves can really heat things up so let your food cool down before you chow down.

Cooking n' Cleaning Tip # 3

CLEAN WITH CARE.

If you are helping your parents out by cleaning house, ask them which types of cleaning products are best to use. Make sure to get the low-down before you get started on your chores.
