SECTION A: BABY’S FEEDING AND HEALTH

If your baby is regularly cared for by someone else, it is very important that you ask your child care provider to give you information for the feeding questions.

If you have older children, please think only about your youngest baby when you answer the questions.

Section A-1: Feeding

1. In the past 7 days, how often was your baby fed each food listed below? Include feedings by everyone who feeds the baby and include snacks and night-time feedings. If your baby was fed the food once a day or more, write the number of feedings per day in the first column. If your baby was fed the food less than once a day, write the number of feedings per week in the second column. Fill in only one column for each item. If your baby was not fed the food at all during the past 7 days, write in 0 in the second column.
