

Project FIRST

For the mother of the baby in your household.

If you are not the mother of the baby in your household, please have her fill out this questionnaire.

Dear Project FIRST Panel Member:

I want to thank you so much for the help you have given me so far on Project FIRST, the **Feeding Infants Research **ST**udy**. I have enclosed the next questionnaire. Please return it in the enclosed envelope as soon as possible.

As you will notice, some of these questions were asked on earlier questionnaires. This is because it is important for the FDA to get information about babies at each stage of their development. Your continued participation in this study is the key to its success!

I look forward to your response so that I can send you a gift!

Cordially,

Marie Brighton
