

Project FIRST

For the mother of the baby in your household.

If you are not the mother of the baby in your household, please have her fill out this questionnaire.

Dear Project FIRST Panel Member:

Your participation in Project FIRST is very important and I really appreciate your taking the time from your busy schedule to stay involved!

I have enclosed the next questionnaire for Project FIRST. The questions on this survey cover many different situations, and many of them may not apply to you. Therefore, even though it looks long, it should not take much time for most people to complete it. We have asked most of the questions before, but we are asking you to answer them again so we can have information about babies at this age too.

Please complete the questionnaire as soon as possible and return it in the envelope I have provided. I look forward to your response so that I can send you a gift!

Cordially,

Marie Brighton
