Our study requires that we interview only one person who lives in your household. How many members of your household, including yourself, are 18 years of age or older?

How many are men and how many are women.

Who is the oldest man who presently lives in this household?
Who is the next oldest man who presently lives in this household? Etc.

Who is the oldest woman who presently lives in this household?
Who is the next oldest woman who presently lives in this household? Etc.

Suffix: __ __ __ __

The person in your household that I need to speak with is ____________________________

HELLO. I'm ______________ calling for the ______________.
I'm a member of special research team.
We're doing a study of __________ residents regarding their health practices and day-to-day living habits. You have been randomly chosen to be included in the study from among the adult members of your household.
The interview will take about 10 minutes or perhaps a little less and all the information obtained in this study will be confidential.

Your name will not be used, but your responses will be grouped together with information from others participating in the study.

Of course, your part is voluntary and you can end the interview anytime you like. First, I'd like to begin by asking you about using seatbelts.

**SECTION A: SEATBELTS**

1. How often do you use seatbelts when you drive or ride in a car?
